WORK EXPERIENCE

Goldman Sachs Securities Senior Analyst *Salt Lake City UT*   *July2016 - Present*
- Automate reports and daily functions resulting in a total time savings of approximately 200+ hours and counting utilizing Microsoft Excel Visual Basic for Applications.
- Carry out multiple projects with other teams to increase daily processing time savings, reduce risk, and yield higher profits across the firm.
- Process over hundreds of Corporate Actions such as Liquidations, Maturities, Mergers, and Name Changes up to 5 billion USD value for our clients' and firm's positions.
- Train new hires and current colleagues on functions, systems logic/communication, and how other teams have a financial, reputation, and risk impact to our team and the firm.

Goldman Sachs Liquidity Management Operations Intern *Salt Lake City UT*   *May 2015 - Aug 2015*
- Created databases using Microsoft Access VBA to consolidate daily reports and identified areas of inefficiencies through data analysis.
- Improved efficiency within systems used by global teams through multiple projects focusing on schedule management and employee knowledge.

FDIC Risk Management Intern *Washington D.C.*   *Jun 2014-Sep 2014*
- Created techniques to archive 80 years of data, which helps the FDIC save hours when researching.
- Researched and presented, to Senior Management, on the 1.2 trillion student loan debt in America alongside providing possible alternative solutions and its effects on FDIC bank members.

Morgan Stanley Financial Analyst Intern *Sacramento CA*   *Sep 2013-Dec 2013*
- Performed stock fundamental and technical analysis using thinkorswim software and financial statements.
- Created a 50 page analysis research report on Caesars Entertainment Corporation that was given to the Senior Vice President of Global Wealth with a no buy recommendation.

Morning Star Research and Development Analyst *Northern CA*   *Jul 2013-Oct 2013, Aug 2012-Oct 2012*
- Created excel spreadsheets on data collected before, during, and after harvesting periods, focusing on yield and quality, which I presented to the head of Research and Development.
- Managed and supervised about 40 harvesters and tractor drivers on a 10-14 hour shift 6 days a week.

Sacramento Entrepreneurship Academy Fellow *Sacramento CA*   *Sep 2014-May 2015*
- Developed digital calendar business plan and presented it to alumni, board members, and potential investors.
